

METHODIST HEALTHCARE

New Graduate Nurse Residency Program

Methodist Healthcare realizes that a career is much more than an occupation or a source of income. A career is something that grows with you and within you! Your career helps define who you are.

Methodist Healthcare consists of 9 acute care hospitals and 14 other healthcare facilities. Our commitment to careers begins with providing you the tools and opportunities you need to excel. By providing you unsurpassed educational opportunities, the latest technology, and state-of-the-art facilities Methodist Healthcare strives to keep employees moving in the right direction.

The Methodist Healthcare New Graduate Nurse Residency Program is focused on the application of nursing knowledge and skills needed for fluency in transitioning to nursing practice in the respective settings. The program includes clinical practicum with an assigned qualified preceptor and systematic instruction.

Methodist Healthcare offers six Residency Programs per year in the Winter, Spring, Summer I & II and Fall I & II.
